

Bathroom Vanity Warranty

AVANT STYLES offers the following limited warranty on each of its vanity products (the "Product") and the components thereof. This warranty extends only to the original owner or end-user for personal household use. This warranty is void if the product has been moved from its initial place of installation. For commercial uses, additional limitations apply. AVANT STYLES warrants the product to be free from defects in workmanship and materials under normal use and service for a period of **one (1) year** from the initial date of purchase by the owner or end-user, contractor, or builder, from AVANT STYLES or an authorized AVANT STYLES dealer unless otherwise noted. Subject to the warranty service provision below, any product reported to the authorized dealer or to AVANT STYLES as being defective within the warranty period will be repaired, or replaced with a product of equal value at the discretion of AVANT STYLES. This warranty extends to the original owner or end-user and is not transferable to a subsequent owner.

Neither the distributor, authorized AVANT STYLES dealer, nor any other person has been authorized to make any affirmation, representation, or warranty other than those contained in this warranty. Any affirmation, representation, or warranty other than those contained in this warranty shall not be enforceable against AVANT STYLES or any other person.

This warranty shall not apply to instances of incorrect operating procedures, breakages, or damages caused by fault through improper installation, carelessness, abuse, misuse, misapplication, improper maintenance, or alteration of the product, as well as chemical or natural corrosion, accident, fire, flood, an act of God, or any other casualty. Avoid abrasive cleaners, steel wools, and harsh chemicals as these will scratch, damage, and / or dull the product and / or finish and void this warranty. The owner/end-user of the product covered by the present warranty is entirely responsible for its proper installation and any applicable plumbing. AVANT STYLES neither installs nor supervises the installation nor hires a contractor for this purpose; consequently, AVANT STYLES cannot be held responsible for any default, breakage, or damages caused thereby or resulting thereof, either directly or indirectly. The owner/end-user must provide access to the components of the Product as described in the installation guide so that AVANT STYLES can execute the warranty specified herein. If such access is not available, all expenses to provide said access will be the responsibility of the owner/end-user. This warranty does not apply to local building code compliance. The owner/end-user should check with the local related plumbing codes before installation.

This warranty does not apply to products that have not been installed or operated in accordance with instructions supplied by AVANT STYLES and all applicable rules, regulations, and legislation pertaining to such installations.

This warranty does not apply unless the AVANT STYLES Product is installed by fully insured licensed professionals. AVANT STYLES strongly recommends that such licensed professionals have experience in the installation of bathroom products. Installation of certain products,

including, without limitation, glass products (i.e., glass countertops glass sinks) by an inexperienced person may result in glass breakage and, consequently, cause personal injury or death.

AVANT STYLES is not liable for personal injuries or deaths to any persons or for any direct, special, incidental, or consequential damage, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other costs resulting from the use of the product or equipment or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty. Except as otherwise provided above, AVANT STYLES makes no warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose or compliance. In any case, AVANT STYLES cannot be held liable for any amount over and above the purchase price paid for the Product by the owner/end-user, contractor, or builder.

AVANT STYLES products are made of naturally variable raw materials. Differences in grain character and color among wood and plant species and stones and minerals are naturally occurring variations and are not within the control of the manufacturer nor considered defects under this warranty. Natural color changes, variations, or movements in lumber or veneer products, and exposure to extreme temperature changes and direct sunlight, may cause color changes and/or surface damage and are not covered by this warranty. All wood naturally ages, darkens, changes in color, and mellows over time due primarily to exposure to light. While this color change is imperceptible from day to day, it may be significant over a longer period of time, or due to amount of light the wood is exposed to. On warranty replacement doors or drawers, we will not guarantee an exact color match. Imperfections such as checks (small surface splits), pitch pockets (small dark holes) or darker mineral streaks are natural and are not considered defects.

Surface characteristics of natural stones may vary from each slab. Color variations in stone are a natural occurrence. Natural veining, crystal lining and local crystallization are common characteristics of natural stones. For this reason, new and/or replacement pieces may not match display samples and/or existing pieces. Natural occurring stone characteristics such as variation in grain, color, mineral streaks are not considered defective product. In addition, all AVANT STYLES vanities are handcrafted. Each product may vary slightly in size and color within an acceptable industry tolerance. Due to the manufacturing process, tempered glass will tend to have a greenish tint. This is a natural feature and is not considered a defect. As a result of the tempering process or otherwise, color variation in glass may occur in certain products.
